USS New Jersey BB - 16

The Original Battleship New Jersey

USS *New Jersey* (BB-16) was the fourth of five *Virginia*-class battleships of the United States Navy, and the first ship to carry her name. She was laid down at the Fore River Shipbuilding Company in Quincy, Massachusetts in May 1902, launched in November 1904, and commissioned into the fleet in May 1906. The ship was armed with an offensive battery of four 12-inch (305 mm) guns and eight 8-inch (203 mm) guns, and she was capable of a top speed of 19 knots (35 km/h; 22 mph).

New Jersey spent her entire career in the Atlantic Fleet. In late 1906, she took part in the Second Occupation of Cuba, and she participated in the Jamestown Exposition in April - May 1907. At the end of the year, she joined the Great White Fleet for its circumnavigation of the globe, which lasted into 1909. The ship spent the following five years conducting peacetime training. In April 1914, *New Jersey* took part in the occupation of Veracruz during the Mexican Revolution. During World War I, she was used as a training ship, and after the war, she was tasked with transporting American soldiers back from Europe. *New Jersey* was decommissioned in 1920 and slated for destruction in bombing tests in 1923. Martin NBS-1 bombers sank the ship on 5 September 1923 in a series of bomb attacks.

PRESIDENT'S REPORT

Greeting,

Once again, I'll start out by saying that it appeared those who attended the 2018 reunion had a great time. I received a lot of positive feedback. Steve Sheehan did another great job planning and coordinating this reunion. Our visit to the National WWII Museum was the highlight of the reunion. The WWII museum is currently the #2 museum in the US and in the world, according to tripadvisor. I hope you enjoyed your visit to this moving tribute to all WWII Vets and the Greatest Generation.

At the 2018 general meeting, the 2020 reunion site was selected by those attending. The Philadelphia area, home of the Battleship New Jersey Museum, was once again selected for a reunion. We will be looking forward to another full day visit to our ship. The 2019 reunion will be in San Diego. The city of San Pedro was selected at the 2017 general meeting, but after lots of effort and frustrations, we were not able to find a hotel in the San Pedro/Long Beach area that would meet our needs. We received six proposals. The proposals were from one hotel in San Pedro, one in Long Beach, three out in the Anaheim area and one down in San Diego. The final selection came down to San Pedro and San Diego. The hotel in San Pedro assured us they could meet all of our requirements. We flew from the east coast to the west and visited five hotels. The one in Long Beach was ruled out because the rooms were \$230+ per night and they lacked meeting or banquet space. The ones in Anaheim were also expensive and/or lacking banquet space, but we visited to do our due diligence. San Pedro was where we wanted to be, but when we visited, they showed us minimum sized spaces. The only hospitality room they offered was barely able to fit three round tables and there was no room for the ship store. The room might accommodate 30 people at a time. While we were there, we found out that much of the San Pedro waterfront area, where the hotel was, would be under construction during the time we'd be there. Therefore, the 33rd reunion will be held at the Crowne Plaza San Diego - Mission Valley, 2270 Hotel Circle North, from September 18 - 22, 2019. This was also the 2007 reunion hotel.

This issue of the Bounce also includes the current by-laws of the organization. A pdf is also available on our website. Please take time review the by-laws. If you have any corrections or suggestions, please email or mail them to me at 1215 Old North Main St., Laconia, NH 03246, or bdingman@metrocast.net. All suggestions will be reviewed and evaluated. Proposed changes will be published in the Spring 2019 issue, for discussion and possible voting, at the 2019 General Meeting in San Diego.

We've had some changes to the Board over the past year. Bill Meredith, Liaison Officer, resigned due to health problems stemming from an automobile accident three years ago. Bob Williams, Webmaster, has taken over Bill's duties until the next election in 2020. Jason Hall, Curator of the Battleship NJ, and our Historian, passed away on June 28, 2018, from brain cancer. John Spero (1980's) asked to be considered for the editor

position, but regretfully had to withdraw his request for personal reasons. Phil Tasker has offered to continue on as the editor.

Again, I want to thank everyone who has worked to keep our organization alive and well. We still need more members. Please reach out to your shipmates and spread the word about the reunions. With today's technology, it's easier than ever to locate a BB62 sailor. Our reunions are a perfect time to renew old friendships and make new ones. Get a buddy to join us in San Diego next September.

Sincerely,

Bob Dingman, President

VICE PRESIDENT'S REPORT

Hello Everyone

The reunion festivities we're awesome! Bravo Zulu to the coordinators for designing the venues. A visit to the historical cemetery is a very interesting city tour. The visit to a memorable WW II museum had numerous displays to offer showing in detail significant points of interest. As we proceeded to the dining area there was a patriotic show that was very enjoyable. Our banquet was exciting which consisted of auctions, 50/50's and most especially our distinguished guest speaker. United States Navy Captain Roy Cash. It was my wife and my first visit to New Orleans, Louisiana. I wish it could have lasted longer. Unfortunately, we must move on. Rest assured it will forever be remembered in our hearts. It was not only the sights, but also how the members of our glorious association are becoming close knit to each other even though we consist of several era groups.

As we depart Metairie Louisiana, our sights and hearts are directed towards San Diego California. I'm quite sure it will be very rewarding. Stay healthy and remain in good health and hope to see everyone there! God Bless...

Sincerely

Leon Tucker, Vice President

SECRETARY'S REPORT

Hello everybody. Things are going well in the Secretary's position. May be a challenge at times, you can ask Phil Tasker as he was about to send out a party to hunt me down to get the minutes out for the Bounce. Just to let you know as you read through the Bounce if there are any questions from the business meeting minutes just let me know and I will try to answer them the best that I can. The reunion this year in New Orleans was really good, and a good time had by all. I will gladly accept any new ideas or suggestions that you may have. We really need more of the 80's era guys to get involved so we can keep the organization going for a long time to come. I only live about 3 hours away from the USS Alabama which is also a museum. I have been to it a few times in my life, the last visit was when our reunion was in Jacksonville Florida. This ship was decommissioned in January of 1947. I have wondered if this ship has been forgotten in a way. The purpose for bringing this up is our organization going. There is a big legacy behind the USS New Jersey and we can keep this going for many generations to come but it is going to be up to the 80's era guys to accomplish this. I was on board in the 80's and am currently the secretary, but we are going to need more of us to take officer positions to keep it going. Let's have a great showing next year in San Diego, and even a better one in 2020 when we go back to the ship.

Happy Sailing and God Bless

Danny Fielder/MM3 Lebanon, Secretary

SMALL STORES ADVISOR'S REPORT

Thanks to everyone! This was the best layout for the store that we can remember. It was a pleasure to meet everyone that visited and shopped. Sales were excellent and a number of new ideas for the store (i.e. ladies' apparel) will be on the list.

We are restocking and working on the special-order items that members had requested.

Please regularly check the website for our group as well as the Facebook page for new items.

On behalf of Beverly Langford, Larry Ruble, and myself we all thank everyone and look forward to San Diego.

As always, any comments or suggestions are very much appreciated.

Mike Schappaugh - Small Stores Advisor

MEMBERSHIP CHAIRMAN'S REPORT

Shipmates,

What a great reunion in Louisiana!! There were lots of vets and their family members. The two tours we went on were outstanding, one of which was the amazing WW2 Museum. We all enjoyed the performance of The Victory Belles! The food we got at the hotel restaurant was exceptional. We enjoyed hearing Roy Cash Jr. (Johnny Cash's nephew) as our guest speaker the night of the banquet. His speech was uplifting and entertaining.

Louise and I are moving back to Middle TN where 4 of our children and 9 of our 12 grandchildren live. We are at the age where we need and want to be closer to them. It will also be more convenient for our other 2 children to come to and be with the whole family at the same time. We are going to miss our home overlooking the Tennessee River/Chickamauga Lake, but we need to downsize, and we are excited about the next chapter in our lives together. We have a new address for the USS New Jersey mail to get to me:

USS New Jersey Veterans, Inc

% Garry Blaylock

P O Box 943

Columbia, TN 38402

You can still reach me on my cell number as usual, [931-797-4744](tel:931-797-4744) or my e-mail address, gblaylockbb62@gmail.com .

The new invoices should be out in your hands soon. I am a little bit behind due to our impending move. Please let me know if you are planning to move or change your phone number, also please let me know of any shipmate's passing if you find out.

It's always great to talk to my shipmates when you call! I would love to hear from you and to help with whatever you might need anytime.

*** I won't be putting my name in the hat again for this position when we go back to the ship. 8 years is enough for me! It's time for an eighty's sailor to step forward to be the membership chairman!

Fair Winds and Following Seas,

Garry Blaylock - Membership Chairman

TREASURER'S REPORT

We just concluded a wonderful reunion in the New Orleans area. It was the second best attended reunion we have held in the last ten years. The venue, the Comfort Inn and Copeland Tower Suites was excellent with the Hospitality Room and dinner rooms commanding scenic views from the sixteen floor. Also superb was the Friday visit to the National World War II Museum. I think all attendees would agree it was a most enjoyable get-together. Steve Sheehan and Bob Dingman deserve a very well done on organizing this event.

We again held an auction to benefit the Scholarship Fund raising \$1,170 including a number of donated items. We were particularly pleased to be able auction a lovely red, white and blue Prayer Shawl hand knitted by Nancy Davila spouse of Korean War shipmate Frank Davila. The Davilas were unfortunately unable to attend this year's reunion.

Since our fiscal year does not end until December 31st, there is not any meaningful financial information to report. We ended September with \$36,750 in bank balances which was up slightly from the year ago level. One area that continues to show very positive performance is Ships Store sales. Currently year-to-date sales total \$6,962 which exceeds total annual sales for any of the past ten years. Mike Schappaugh has done an excellent job of managing this area, constantly upgrading both the quality and the variety of the merchandise available.

We will provide detailed financial results in the Spring Bounce once the "books" are closed out. I look forward to seeing as many as possible next year in San Diego.

SEATING COORDINATOR'S REPORT

We have wrapped up our 32nd Annual Reunion in New Orleans and it was a huge success. This was my first visit to New Orleans and I would love to one day go back.

I believe we owe Steve and Bob a great deal of thanks for putting such a great reunion together. The hotel was very nice, and they catered to our every need. The meals were superb, and the service was excellent. The tours they selected were top notch. The high light was the World War II Museum. One day didn't do it justice. I hope to one day visit it again and spend more time there. The 4D movie, *Beyond All Boundaries*, at the end of our visit was amazing. The special effects made you feel as if you were right there amongst the action. I guarantee that no one slept through this movie.

I believe everyone visited the French Quarter for the good food and local color. The food was absolutely delicious and before we left I managed to get some oysters on the half shell and some delicious Shrimp Creole. The food alone made the trip worthwhile.

The true highlight though was being together again with Shipmates. Reconnecting with old friends and making new ones is what a reunion is all about. I have never left a reunion without making at least one new friend

Now it is time to start thinking about next year when we will again visit San Diego, California September 18-22. I hope to see many Shipmates from all eras attending, especially those from the West Coast. Reach out to your old "Liberty Hound " buddies and encourage them to join you in San Diego next September.

I look forward to taking care of your seating needs and if we haven't yet met, I'm looking forward to adding you to my extensive Friend List. See you in San Diego.

Bill Myers - Seating Coordinator

LIAISON OFFICER'S REPORT

Shipmates,

I would certainly be remised by not thanking Bill Meredith for his years of support as Liaison Officer of the organization. Bill would have served another term, but for medical reasons opted to step down. I volunteered to take over the position for his remaining term and hope to continue the same dedication and values Bill has set forth over the years. I have worked with Bill for many years as the Vietnam Era representative Thanks again Bill.

As I have never been to New Orleans this year's reunion was outstanding and seeing the World War !! museum was unbelievable and well worth the visit.

Thanks to Steve Sheehan and Bob Dingman for a great job organizing this year's reunion! I understand that next year's reunion will be in San Diego, CA at the same hotel that we held the 2007 reunion. We are planning on being there next year, so I hope to see you there too.

Final note, if you change any of your information, address, email or phone number please let the Membership Chairman or I know.

Stay well,

Bob Williams, Liaison Officer

LEBANON/PERSIAN GULF ERA REPRESENTATIVE'S REPORT

Hello shipmates, the light house is still burning, and I will try to keep it burning. We had a really great time in New Orleans this year and we did have more of the 80's guys. The membership is slowly shrinking and the 80's can bring it back up, and that is what we need to try and get accomplished. The WWII gang is very scarce now as well as Korea gang. The Vietnam era guys are doing well but we need to step up and do our part. There are those groups that do their own thing for the divisions they were in, but it takes the whole ship to make things go smoothly. Me and my wife Sheila have made some great friends and that is a rare thing these days. Like I have said in the past we had the largest number of crew members to have been on that magnificent ship, but we have the lowest turnout. This ship made history over and over, and the WWII, Korea and Vietnam era guys started this. It laid asleep for many years when we woke her up again to serve once more. Out respect we need to step up to the plate. By next reunion lets have at least 25 members from 80's join. Until next year God Speed and God Bless.

Hope to see you in San Diego

REUNION COORDINATOR'S REPORT

Greetings Shipmates and Friends,

First of all, I would like to thank everyone for a very successful, enjoyable and well attended reunion in New Orleans.

The participation of our members insures a successful reunion, but the location and the hotel helped make this year's reunion much more than a financial success.

Our day at the WW II Museum was unforgettable. The Memorial Service in the morning was very moving. Leon Tucker and our bugler did a great job. The lunch and show at The Canteen were fantastic. The Victory Belles were great as were a few of our participating members!

Next year's reunion will be in San Diego, California. After eight months of frustrating negotiations with the one hotel that responded to our Request for Proposal, we had to abandon that site and move farther south to a more welcoming location.

We have an agreement with the Crowne Plaza, located at: 2270 Hotel Circle North, San Diego, California 92108 (Telephone: 1-888-233-9527). Our reunion will be from 9/18/19 to 9/21/19.

We are making arrangements to have our Memorial Service and a tour aboard the USS Midway on Friday. Thursday's tour has not yet been selected.

In addition to being reunion Coordinator I am currently serving as Chairman of the Board of Trustees at your battleship.

We have recently restored and reinstalled a Quad 40 Bofours anti-aircraft gun on the port side by Turret 3. We have also recovered three gun barrels that were fired during WW II. One is currently being readied for installation at an as yet undecided location near the ship. Hopefully it will generate interest in a battleship tour. There is a planned opening of an Engineering Tour of Fire room and Engine room 2 in the spring of 2019.

Deck restoration continues as far as finances will allow. Priority is being given to parts of the deck that need to be replaced for watertight integrity.

The 2020 Reunion in Philadelphia will offer the opportunity for you to see these restorations in person.

Looking forward to seeing everyone next year in San Diego next year and the following year in Philadelphia.

Regards,

Steve Sheehan, Reunion Coordinator

Reunion Coordinator: Steve Sheehan spoke about 2019 reunion that would be in San Diego. Dates are September 18th - 21st 2019 at the San Diego Crown Plaza Hotel. Ralph Millemon made a motion to include crew members of the new submarine USS New Jersey that is to be commissioned in the future to be included, 2nd by Bob Williams. Motion carried. Ken Hobbs made a point of information about Korean war veterans passing away. Ken mentioned that the government is trying to determine if the Korean Defense members can be included as part of the Korean war veterans. Bob Dingman said we have associate members, but the government has said that non-profits and 501C19 must have a certain percentage of crew member veterans in order to keep that particular status.

This concludes old business.

New Business:

Scholarship Recipients for 2018:

Lauren Valdez, San Antonio, TX.
Megan Rhodes, Nazareth, PA.
Michael Berwanger, Stratham, NH.

Starting next year 30 days before start of reunion will be the cut off time for reunion registration. Officers would like any suggestions from this reunion from any members. Everybody was very pleased with this reunion and turn out. Steve Sheehan said with the exception of the last 2 reunions at ship, this has been the largest turn out since 2009. Joe DiMaria suggested to try and get hotels that had restaurants and bars that stayed open all the time. Point of information from Ray Kehoe that if we have a free breakfast leave a tip.

During memorial service our bugler was from Buglers Across America. Joe DiMaria made motion to send \$100.00 donation 2nd Bill Sosmowski. Motion carried.

2020 reunion suggestion that we go back to Philadelphia area. Motion by John Spero, 2nd Len Jablon. Motion carried.

Ray Kehoe stated that Joe Casumono had made a motion years ago that the reunion should be at ship every 4 years and that it should have been in by-laws. Bob Dingman said the only mention in by-laws is that the reunion should be west of Mississippi River once every 4 years. Bob said this may be worked into revised by-laws that are up and coming. There was a lot of discussion about going back to ship, how often can be anytime that it is recommended and voted on.

Points of information:

Steve Sheehan mentioned that Phil Tasker found on-line that the submarine USS New Jersey maybe commissioned in 2021. Steve said we may be able to coordinate that the

Ship Update

SHIP UPDATE INFORMATION WAS SUPPLIED BY CLARK PERKS, DEVELOPMENT DIRECTOR AND RYAN SZIMANSKI, CURATOR OF THE USS NEW JERSEY BATTLESHIP MUSEUM AND MEMORIAL.

The Museum is replacing 53,000 sq. ft. of the teak deck, a project estimated at \$8 million. The teak on the aft 03 Level was replaced in the fall of 2017. The steel deck underneath had rusted through and new steel was welded in place before the new teak was placed down. Right now the Museum is replacing rusted steel on 03 amidships.

The ship's boiler and engine rooms are now being prepared for a new tour route at a cost of \$500,000. All the environmental work is complete. Painting has begun and the design for the safety lighting and exit signage has been created. The Museum is waiting for approval from the State of New Jersey for the safety plan.

The ship also recently obtained for display a Quadruple 40mm Bofors anti-aircraft gun and three 16" gun barrels used on the ship during World War II and the Korean War. The ship's twenty Quad 40s were removed when she was recommissioned for Vietnam and only one still remains. It returned to the ship fully restored and functional in November and was officially fired for the first time on the 75th anniversary of the ship's commissioning on December 7, 2017.

The three gun barrels - each 120 tons and 68 feet long - were removed in 1954. The Battleship worked for years to obtain them from storage in Virginia and keep them from being cut up for scrap. The gun barrels were returned to the ship in January. The ship raised \$130,00 for the transporting and restoring these barrels and the Quad 40.

In May the Battleship obtained an Oerlikon 20mm cannon, meaning the Battleship now has on display all of the antiaircraft defenses used on board during World War II.

One of the 16" gun barrels after restoration at the Philadelphia Navy Yard where the ship was built. Another barrel is on display at the Battleship and the third barrel is on display in Basking Ridge, New Jersey. March 5, 2018
