## PRESIDENT'S REPORT

Greetings Shipmates,

Happy New Year to everyone. I hope everyone had a wonderful holiday season.

In this issue you'll find all the information required for attending the 2023 reunion in Charleston, SC. Dave Wasmer, our reunion planner, did a great job planning the 2022 Cherry Hill reunion and has worked hard on this years also. We did our best to get good pricing. We have a good room rate at the Town and Country Inn. Our nightly rates are \$109 Sun-Thur and \$179 Fri - Sat. Both are reduced from the normal rates.

There will be a few things different about this years' reunion than those we have been used to. The first thing you'll notice is the days of the week that the reunion occurs. The reason for the change of days is because Charleston is a very popular weekend destination for many residents of the Carolinas and neighboring states. On Friday and Saturday nights room rates are higher and crowds are much larger. Registration will begin on Monday September 18th and the Welcome Aboard dinner will be that night. Tuesday we will be offering a "See It All" Historic Charleston bus tour of the many sights of the city. On Wednesday we are offering a tour to Patriot Point Naval and Maritime Museum, the home of the USS Yorktown CV10 and USS Laffey DD724. Our memorial service will take place on the hanger deck of the Yorktown. An important part of the museum is the Vietnam Experience Exhibit. The 2 1/2 acre area is set up as a "Brown Water Navy" support base and a U.S. Marine Corps artillery fire base during the Tet Offensive and the Battle of Khe Sanh in 1968. Finally, the Annual Meeting and the Banquet will take place on Thursday. We were able to take the "See It All" Historic Charleston City tour during our investigation trip to the city. As a first time visitor, I found the bus tour to be an excellent way to get an overall look at the city and to learn the history of Charleston.

A second thing that we've dealt with is escalating costs. Covid and inflation have changed a lot of things in our lives. No matter what we hear on the news, there are still many businesses that are struggling with lack of employees. They've had to increased wages to retain those they have and to hire additional workers. It seems like everything is more expensive than it was a few years ago. Hotel and food service businesses have been effected and their increased costs are being passed down to the consumer. Transportation and tours companies have found it hard to find and keep drivers and are also dealing with higher fuel costs. We've negotiated as hard as possible, as we always do. The costs of the dinners and tours are as low as we could get them.

Even with these changes, I believe we'll still have an enjoyable and entertaining reunion in historic Charleston. I look forward to seeing many of you in September. Have a wonderful summer and stay safe and healthy.

Bob Dingman, EM2, '67-'69  
President

## VICE PRESIDENT'S REPORT

Greetings,

I hope the shipmates and family members including our associates had a joyous holiday season.

Now that new year {2023} has begun, I am looking forward for our upcoming reunion in Charleston South Carolina. If I could go back in time, and revisit memorable times onboard the battleship in Camden New Jersey. It is always a pleasure shipmates and their families and new associates especially during our welcome aboard dinner, city tour and the riverboat cruise. It is a part of the reunion that I will treasure. My wife and I are hoping and praying to see old and new friends along with our newly arrived associates in good in the upcoming reunion.

God bless to you all.

Leon Tucker Jr  
G1 Division 87-90

## SECRETARY DIRECTOR'S REPORT

: [dfielder@gsengr.com](mailto:dfielder@gsengr.com) (601) 955-8233 Cell 22011 Hwy 51 Crystal Springs, Ms.39059(601) 955-8233 Cell 22011 Hwy 51 Crystal Springs,Ms.39059 That time of year when it's time for another issue of the Bounce. A great time was had by all at this year's reunion. Sheila and myself really do enjoy this each year and always look forward to the reunion's. Junie Hobbs and her daughter Amy were at this reunion. Her husband Ken Hobbs has passed away, they came to the Memorial Service to hear his name called out during taps. Ken was from the Korean era, however we got to know him and Junie and now their daughter Amy. What a blessing, it is like we have more family. You see when we come to these reunion's it is like being part of a large family and it does not matter from what era you served, essentially it is a brotherhood, saw more from the 80's this year and that was great. More sea stories to be heard and some tall tales as well. We have had 39 new members since last reunion and 21 of those registered for this reunion. Let's really keep this part of history going on, and it will as long as we can get more members, especially from the 80's. Next year's reunion will be in Charleston, South Carolina dates will be September 18th -21st. This issue of the Bounce will have the Business Meeting minutes in it. Please read over the minutes and let me know if something is incorrect, or even give suggestions if necessary. Please give a lot of thought to participating in next year's reunion. Enjoy the upcoming holiday's and may you a blessed rest of the year.

Hope to see you in Charleston this year!!

## MEMBERSHIP CHAIRMAN'S REPORT

I trust everyone that attended our reunion had a great time. I did. Elaine and I toured the ship with my niece and her family, and after a couple of hours, their interest started to fade, but not my niece's 14-year-old son, Logan. He couldn't get enough of it. The tour of Turret two, the size of the guns, projectiles and powder bags and how it all works. What a great exhibit! Then we got to Broadway, and he took one look down to the end, and all he could say was, "Wow!" We toured all we could see while everyone else stayed up on Broadway. He was so impressed by the size of everything, especially the propeller shafts. Logan will be back in 2024. Thanks to the Battleship New Jersey Museum and Memorial for making our day so special.

### **A couple of items from the mail bag.**

**I got a few questions about, "What is an Associate Member?"**

An Associate Member is someone who didn't actually serve on board New Jersey during one of its eras but are typically family and friends of a loved one that did serve on the World's Greatest Battleship and want to honor their memory by joining. Some are the volunteers of the USS New Jersey Museum and Memorial that give so much of their time, and just love the ship.

One Associate Member I recently spoke with is **Rolland Garber**, a 21-year USS New Jersey Museum and Memorial volunteer who now lives in Florida and served on destroyers in the 60's. I hope to see him in Charleston.

Here's one from **Alan Reed** who served on New Jersey from 1953 to 1955.

His son came across this short movie about New Jersey and he thought it may be something that our members might want to see. **Floating Fortress 1952 USS New Jersey**

I don't know if all our members realize that there is a boat load of USS New Jersey videos out there on the internet, many of which were made by the USS New Jersey Museum and Memorial for your viewing pleasure.

I recently spoke with a 97-year-old **World War II Veteran, Glenn Lasley**, who was an Engineman in A division. His General Quarters station was back by After Steering in the RAM Room. His job was to make sure there was enough hydraulic fluid in the sump so that the ship's rudders would work properly. Another job he had was to standby at a kill switch for the float plane sleds. If something went wrong, he would abort the float plane recovery. He also said that when the plane was about to land aft of the ship, New Jersey would turn into the wind and achieve a very high rate of speed to make a smooth runway for the plane to land. When the ship sailed that fast it would create such a vibration that it would make his skin itch.

He particularly liked when Admiral Halsey would announce that he would be eating with ship's company down on the mess decks for breakfast that morning and didn't tell anyone beforehand. It was his way of making sure that everything was just right for the crew.

God Speed,

Chuck Oehme

## TREASURER'S REPORT

I hope everyone is in good health and doing well.

Accompanying this report is the financial summary for 2022. I will try and summarize the results of last year.

During 2022, we had total net receipts of \$68,872 and total net disbursements of \$70,765 for a net decrease of funds of \$1893.00.

The primary source of funds during the year were 2022 *Reunion registration fees (45%), Donations to the ship for deck repair, (27%), Ships Store sales (12%), and Membership dues (7%).*

Primary disbursements were for 2022 *Reunion expenses (44%), Membership donations Forwarded to the Museum (27%), Ships Store Inventory and Purchases and Expenses (18%), and New Jersey Bounce expenses (9%).*

Revenues for 2022 were negatively impacted by 51% decline in *Membership Dues* since Membership renewal notices weren't mailed out. Hopefully that shortfall will be realized in 2023.

It is very impressive that during 2022 our membership donated \$18,840 towards restoration of the ship's teak decks. During the last five years the USS New Jersey Veterans Inc membership has raised almost \$54,000 towards Ship Restoration projects.

We ended the year with \$38,401 in bank and PayPal balances on hand which as I noted above was down 5% the balances on hand at the end of 2021.

Please feel free to contact me if there are any questions, comments etc. regarding the financials or any information that I provided.

We look forward to seeing everyone Charleston, South Carolina later this year.

## REUNION COORDINATOR'S REPORT

SHIPMATES,

The 2023 reunion plans in Charleston, SC are all completed except for actual counts for tours, Memorial Services and meals at the Town & Country Inn and Suites.

We have a very interesting Historic City Tour planned for Tuesday, September 19th. The streets are narrow, and most city tour companies use 25 or smaller passenger buses. Unfortunately, there is not room for wheelchairs or handicap scooters. Service`

This year our Memorial Service will be held at Patriots Point aboard the aircraft carrier, USS Yorktown in Hanger Bay 3. There is an elevator to get up to this deck, flight deck and quarters. We will have bag lunch aboard the USS Yorktown, and you will be free to tour the Naval and Maritime Museum at your leisure. Not only can you tour the USS Yorktown and the destroyer, USS Laffey, but you will have the opportunity to tour a 3-acre Vietnam exhibit, Cold War Memorial and Metal of Honor Museum. This is an experience you don't want to miss and will be worth the time you can spend here. **Many of Patriots Point attractions and exhibits are wheelchair accessible except portions of the USS Yorktown and the USS Laffey for those who are unable to climb stairs.**

It was somewhat difficult to select hotels, tours, and meals due to the ever-increasing cost of food, fuel, and labor. It seems there are surcharges on everything. We need to remember the rising costs especially when we choose reunion cities that are very expensive.

We are still in the process of selecting the reunion hotel and date of the reunion for the 2024 reunion in Philadelphia at this time. More to come on this.

Hope to see you all at the 36<sup>th</sup> annual reunion in Charleston, SC. We are staying at a newly remodeled hotel close to downtown with great restaurants. Let's make this a reunion to remember.

Dave Wasmer – Reunion Coordinator  
IC2, E Division, Sept '67 – Jun'69

The history of Patriots Point Naval and Maritime Museum began in June 1975 when the aircraft carrier USS Yorktown entered Charleston Harbor. A few months later, the USS Yorktown was dedicated as the first ship of the Naval and Maritime Museum on the 200<sup>th</sup> birthday of the United States Navy. Patriots Point Naval and Maritime Museum was officially opened to the public on January 3<sup>rd</sup>, 1976. Today the museum consists of:

- USS Yorktown (CV-10), an aircraft carrier with 29 aircraft on display from WWII to the present
- USS Laffey (DD-724), the most decorated World War II era US Destroyer
- The Congressional Medal of Honor Society is headquartered here and their official Medal of Honor Museum is onboard the USS Yorktown.
- There is also a Cold War Submarine Memorial
- Vietnam Support Base Camp on the surrounding grounds.

The Vietnam Experience Exhibit at Patriots Point brings the Vietnam war to life. This permanent and interactive expansion takes you back to what it was like to live and work in a US Navy Advanced Tactical Support Base (Brown Water Navy) and a US Marine Corps artillery firebase. The Vietnam Experience stretches over a massive 2.5 acres of uses sign, sound and touch to educate the public on components of the war in authentic and engaging ways. This exhibit also serves to recognize and honor our Vietnam Veterans. Look closely and you'll find a photo of the USS New Jersey during her Vietnam deployment.
