PRESIDENT'S REPORT

Greetings to all,

The San Diego reunion ended with the banquet on Saturday, September 21, 2019. That night, and the following morning, we said "...goodbye, see you next year" to our friends and returned home. Who would image that it would be 740 days before we would have the opportunity to get together again. Yes, 2 years and 10 days! Thank you Covid.

Fast forward to September 29, 2021. If you were in Oklahoma City between that date and October 3rd, you saw your buddies again and it seemed like it had been just a few months since you last saw them. Oklahoma City proved to be a great venue for a reunion. The city was clean and the people friendly. Our location at the Sheraton OKC Downtown proved the advantages of being located in an area of a city where there's plenty of restaurants, attractions, and entertainment. This may not be typical for all cities, but it sure worked in OKC. If you didn't attend, you missed out on a great reunion. Now that OKC is in the books, we'll continue with the work that needs to be done for 2022 in Cherry Hill, NJ and begin planning for the 2023 reunion. At the annual meeting, those in attendance chose Charleston, SC for 2023. I've never been there, but I'm sure many of you were there during your navy days and since then.

The election of officers took place this year. New board members are Membership Chairman - Chuck Oehme (Vietnam), Reunion Chairman - Dave Wasmer (Vietnam), Veterans' Affairs Adviser - Joe DiMaria (Vietnam), Seating Coordinator - Marvin Williams (1980's), WWII Era Rep - Paul Robbins, Korean War Rep - Ernie Dalton, Vietnam Era Rep - Tom Gallucci. 1980's Era Rep - Mike Murphy, and Marine Detachment Rep - Michael Goins. At the meeting, Tim Flynn was elected as Vice President after two ballots (the first being a dead heat/tie), but after the reunion it was discovered, that Tim had failed to pay his dues since 2019 and therefore was not an eligible candidate based upon the Bylaws. As a result, Leon Tucker was declared re-elected. Tim understood his error and is determined that it won't happen again. Unfortunately, many members forget to make their dues payment each year. The only thing I can suggest is to mail in your dues as soon as you receive your invoice. Congratulations to all the new board members and thank you to all the incumbents who were re-elected. We will be looking for a new person to take over the small store from Mike after the 2022 reunion. Mike will be resigning from the position in 2022. He's done a great job of getting the store in good shape and well organized. Let me know if you might be interested. (On a personal note - I will not be running for re-election in

2024, so if you'd like to know more about the duties of the President, see me at the one of the next two reunions and I'll give you the rundown.)

Once again, I close with letting you know that our membership is still not enjoying an upward movement. We had 483 members as of October 2nd. More of our WWII and Korea veterans pass away each year and aren't being replaced by new members. We can only hope that someday more of the 1980's crew will join and become involved in the operation of the organization. The ones that have joined and attend the reunions are having a good time and need to encourage others to attend.

Please stay safe and healthy.

Bob Dingman, President

VICE PRESIDENT'S REPORT

Greetings Jerseymen,

It was a wonderful experience driving from New Jersey to Oklahoma City! My wife and I made numerous stops to purchase souvenirs from places visited.

Meeting and greeting the comrades' made this journey more joyful. As the reunion grew the excitement of places and things to see increased the enjoyment of being there. The city tour is very memorable, and the history is quite interesting!

On our memorable service, I would like to apologize on how I felt in the reading of our fallen member and associates. Being a resident of New Jersey, I take a back step to all those who served on the Big J, who came from all parts of this great nation. What increased my grief is the knowledge and reading the names of those wonderful people. I listened earnestly to their stories of being on board the battleship. Beyond it all, the Battleship New Jersey was the centerpiece of their legacy. They will be missed.

The board of election at the general meeting had a strange turn. It felt like a hard pill to swallow. In fairness, I offered to concede not because I didn't want the position - I just wanted to give a fellow member a chance.

The banquet was wonderful and enjoyable. Highlights of the reunion in Oklahoma City will forever be etched in our memories! Stay healthy everyone and be safe.

Hoping to see you all at the 2022 reunion at Cherry Hill. Peace!

Fraternally,

Leon Tucker Jr. GMG1(SW)

G1 Division 87-90

SECRETARY DIRECTOR'S REPORT

Hello shipmates.

Hope everyone is doing well and staying safe. My wife Sheila and I really had a wonderful time in Oklahoma City this year. We had a very good turn out and it was great to be around good friends and shipmates once again. It has been 2 years since last reunion and that has felt like even longer when you are used to seeing these wonderful people every year. You will find the minutes in this Bounce from our business meeting. Please do not hesitate to contact me if you may have any questions. We will be back at the ship next year. Reunion dates are August 3-7, 2022. We will be staying at the Crowne Plaza in Cherry Hill. Please contact shipmates from your era and try to get them to come to next year's reunion. This is really a good thing and very enjoyable. It is really sad each year at the Memorial Service to hear the taps list. The list is getting longer for our passed shipmates and our membership is getting shorter. We cannot help with the passing of shipmates, but we can increase our membership. Currently we have 483 members at 2019 reunion we had 587. With what is going on in this country these days, these reunions are very positive. Let's keep this history going and it can be done. I do realize there may be those who really don't care but there are those who do and procrastinate. Until next time "Fair Winds and Following Seas.

Hope to see you back at the ship next year.

Danny Fielder/MM3 Lebanon, Secretary

SHIP'S STORE ADVISOR'S REPORT

Greetings:

Made the trip to Oklahoma City with a lot of inventory. After setting up the Ship's Store on Tuesday, my assistants, Larry Ruble and Mary Porter and I were kept very busy for the next several days.

It was great to see and visit with all our shipmates.

Sales were great and we are all excited to be going back to the ship next August. We will be restocking the store for that Reunion.

We still have some great deals and prices on small and medium size clothing items plus great deals on our remaining regular and hooded sweatshirts. Please message me for sizes and colors.

The store can be reached at:

727-415-5798

Sixpaca12@yahoo.com

Thanks, and we will see everyone in Cherry Hill.

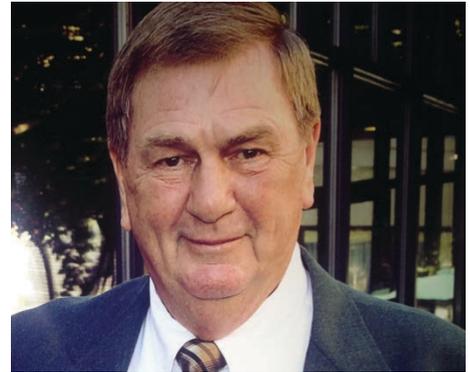

Mike Schappaugh – Ship's Store Advisor

MEMBERSHIP CHAIRMAN'S REPORT

Hello Shipmates,

It has been my pleasure and an honor to serve as your membership chairman / director for the last 9 years. It's time for me to step down. This job has been very rewarding because of all the calls I got from you asking about varied things. We would talk about the time on our ship and our jobs there. It was always great to talk with a Jersey Vet no matter what era they were in. Our ship was the best and our sailors were the best and I loved my job of helping all of you anytime I could!! The best of luck to whoever is elected to my job at this reunion. I'm sure you will be rewarded as I have been!

Bob and Mike are coming up with ideas to attract new members, but there are not many of us Battleship sailors left. We are getting fewer with each passing year. If you know of anyone, please urge them to join.

Next year when I walk down that pier to our ship, tears will be in my eyes as I'm sure they will be in yours as well. It will be great to be back home again!! I want to take this time to thank each of you for your service to our country!!

Sincerely,

Garry Blaylock - Membership Chairman

MEMBERSHIP CHAIRMAN-ELECT'S REPORT

Shipmates,

I'd like to thank Garry Blaylock for the nine years he served as Membership Chairman. He did a great job with the help of his wife Louise. Ever notice the amount of support our members get from their wives? I tip my hat to all you ladies. Thanks for all you do.

Garry and I have been on the phone a lot in the last couple of weeks as he has been transitioning his job over to me. More to it than I had originally thought. Thanks Garry.

Our 2022 reunion is going to take place back at the ship. It will be a little extra special because a lot has taken place since 2016, thanks to the past Battleship New Jersey Museum and Memorial Chairman, our own EM3 Steve Sheehan 67-69, and the crew in Camden, they have gotten our ship some new teakwood decking and improved the interior spaces.

For those of you who have never attended one of our reunions at the ship, I'll let you in on a little secret, you will be able to go to spaces that the public doesn't get to visit. I got to go to spaces that I never went into the whole two years I was on New Jersey. You will have to sign a waiver to visit these spaces. The Battleship New Jersey Museum and Memorial staff really rolls out the red carpet for us.

Have you ever wondered what happened to your shipmates and best friends that you haven't seen or talked to in more than thirty years? You know, the ones you relieved on the midwatch, passed stores and bullets to during a highline or vertrep replenishment. How about the ones that you visited all the shrines, cathedrals, museums, and restaurants with while on liberty.

If each of one of you old salts email to me two or more names of shipmates that you would love to sit down and have a beer with at the reunion, our crack research team will try to get them in touch with you. Having said that, if you think you could be of help locating our old shipmates, please email me.

Be well, and I'll see you at the reunion,

Chuck Oehme - Membership Chairman-Elect

TREASURER'S REPORT

We had a wonderful Reunion in Oklahoma City. Good turnout and a great tour of the National Cowboy and Western Heritage Museum.

Financially the organization remain well capitalized and sound. After paying all the Reunion expenses and depositing funds received, we ended September with \$40,845 in our bank and PayPal accounts, which was \$845 more than last year's ending balance. We still have additional revenue coming in from membership renewals as well as additional expenses for this edition of the Bounce among other anticipated transactions but again we are financially in good shape. Please contact me if you have any questions or would like additional information.

We look forward to seeing everyone at the ship next year.

REUNION COORDINATOR ELECT REPORT

Hello Shipmates

I am Dave Wasmer your new Reunion Coordinator/Director. I was born and raised in Manitowoc County, Wisconsin, along the Lake Michigan lakeshore half-way between Green Bay and Milwaukee.

In December 1963, I joined the Navy Reserve while attending Kiel High School. I graduated in 1964 and was discharged from the Navy Reserve January 31, 1965 and enlisted in the regular Navy on February 1, 1965 for 4 years. I attended IC-A school at Great Lakes in Illinois.

After A school, I was assigned to my first ship, the USS Savage, a Destroyer Escort, home port was Pearl Harbor and duty station was off the coast of Vietnam. I served aboard the USS Savage until the opportunity came along to serve aboard the USS New Jersey. I extended my enlistment for the opportunity to get on board the USS New Jersey, which I did without hesitation.

After separation from the Navy, I re-enlisted in the Navy Reserves for several years while working for Kohler Company. After 11 years at Kohler Company, I started an Electrical Contractor business which my wife and I owned for 7 years. I went on to work for a local machine company where I designed and patented floating fountains and aerators for lakes and ponds.

I want to thank you for your support. I will do my best to do a good job as Reunion Coordinator working closely with the President and all other directors/officers.

Dave Wasmer - Reunion Coordinator - Elect

I expect to see many more of you there than this year. I am here to meet all of your seating requests just remember to talk all of your shipboard buddies into coming to the reunion.

State of the Museum Report

It was so good to see many of you in Oklahoma City at the beginning of October and to meet many of you for the first time. For those of you I got to meet this report will be extremely similar to the presentation I made at the banquet, for those of you who weren't there I hope to see you on board the ship in a year for the next crew reunion.

First the big news, Phil Rowan retired at the end of June and was replaced by long time marketing and events director Jack Willard. Phil has been the longest serving executive director in the museum's history. He leaves behind a legacy of financial savviness which saw our young organization weather not one but two financial crises while simultaneously laying the groundwork for major restoration projects like repainting the hull, lengthening the tour route, and beginning the long overdue redecking project. Jack has been a director at the museum for 20 years and was the natural choice to be Phil's replacement both because of his vast experience and the high regard his coworkers hold him in.

Speaking of the redecking that project has only picked up speed since Jack took the helm. Half of the fantail is already done, and the other half will be finished before the end of the year. Work has also been done on the 0-1 level forward. The common thread linking these two disparate sections of deck together is their economic value. Both are rented out as event spaces and the half-finished fantail has already started to provide a return on investment. It served as the dance floor for six proms this spring while indoor venues were closed and has been used by multiple other events since. This project is by far the most cost intensive one we are working on and will cost somewhere between \$3-5 million before we are finished. Fortunately, we have over \$1 million in grants to continue the work in 2022 regardless of the financial situation of the rest of the world. We still have a long way to go to meet our final fundraising goals, but the work is not slowing down.

While work on the deck is funded for another year the rest of the museum is still slowly recovering from the effects of the pandemic. In 2020 the museum saw only 20% of the normal self-guided visitation we were expecting, a fraction of event rentals, and nearly no guided tours, or overnights. We lost around \$3 million all told and most staff, including the executive director, were laid off at some point or another. At this point everyone is back at work however the numbers are only marginally better. Although we have entered the slow season post Labor Day, we are still expecting to be around 80% of normal self-guided visitation in 2021. Events are also doing well for us with recent Beer and Cigar festivals hosted on board the ship drawing large crowds. Guided tours and encampments continue to be fractional compared to pre-pandemic numbers.

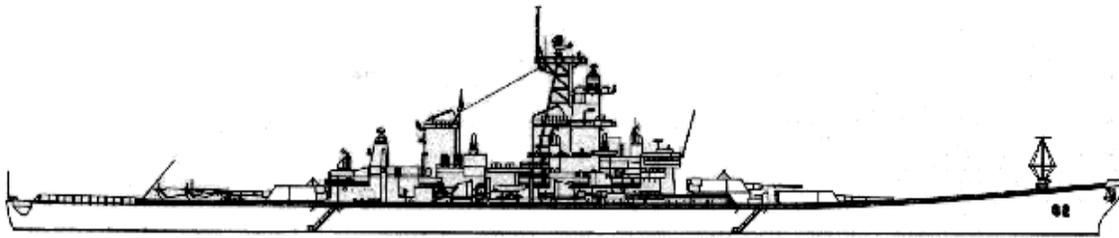

State of the Museum Report

If there is one trait the folks who work on this ship have always had, we are all scrappy. We have found new revenue streams to keep the ship alive over the last year. The YouTube channel has been a big one and is expected to gross \$100,000 by the end of the year. Only 2% of the \$5 million the ship needs in any given year but infinitely more than we have ever made off social media in the past. Also, the channel won Naval History and Heritage Command's inaugural award and museum staff were on battleship *Alabama* in September to receive the plaque and pennant. If you aren't watching yet be sure to check out [YouTube.com/BattleshipNewJersey](https://www.youtube.com/BattleshipNewJersey). Another new revenue stream has been firing the ship's guns. On Saturday's guests can pay an extra \$50 to fire the saluting gun or \$500 to fire a 5"/38. A final stream of new revenue is our \$500 Behind-the-Scenes Tours which have long been offered but between the publicity the ship has gotten lately, people's desire to get out of the house, and the millennial fascination for premium experiences we have been giving so many of these tours we had to increase the price because we didn't have enough curatorial staff to meet the demands.

We will come out of this pandemic stronger than ever. Thanks to successful social media campaigns more people than ever will recognize our brand and your history and service. Thanks to successful fundraising the ship's material condition will be better than it was going into the pandemic. And thanks to successful leadership we will be ready to meet whatever challenges the future may bring. I hope to see you all in person next year on board for the 2022 USS New Jersey Crew Reunion.

United States of America Vietnam War 50th Commemoration

A Little History on the awarding of the Vietnam Veteran Lapel Pin and Certificate of Appreciation at our 2021 Reunion in Oklahoma City. In 2008, congress authorized the Department of Defense (DOD) to establish the “United States of America Vietnam War 50th Commemoration” to assist a grateful nation in thanking and honoring our Vietnam Veterans and their families.

In 2012, the Commemorative Partner Program was established. This program allows Federal, State and local organizations to assist in thanking and honoring Vietnam Veterans in the communities where they live. This summer the USS New Jersey Veterans, Inc. signed on with the DOD as a Commemorative Partner. (Please see page 2, inside the front cover).

On Friday, October 1, 2021, we held our first group event to honor our USS New Jersey Vietnam era Veterans. To organize our ceremony, Bob Dingman asked me to head up our committee. Bob and I have both already received the lapel pins. I received mine from my Congressman this summer at a large ceremony in California. A lapel pin was presented to each of the approximately 175 Veterans at that ceremony. Bob received his lapel Pin in a one-on-one ceremony a couple years ago. Both of us appreciated the awarding of the Lapel Pin.

Our Ceremony was a success. Each recognized Vietnam Veteran in addition to receiving a Lapel Pin, received an Envelope with a Certificate of Appreciation signed by our Chairman and Committee Member, listing his name, Family member tin pin, 50th anniversary Vietnam War tin pin, Join The Nation tin pin, I served bumper sticker, We Heart bumper sticker, Thank and Honor window sticker.

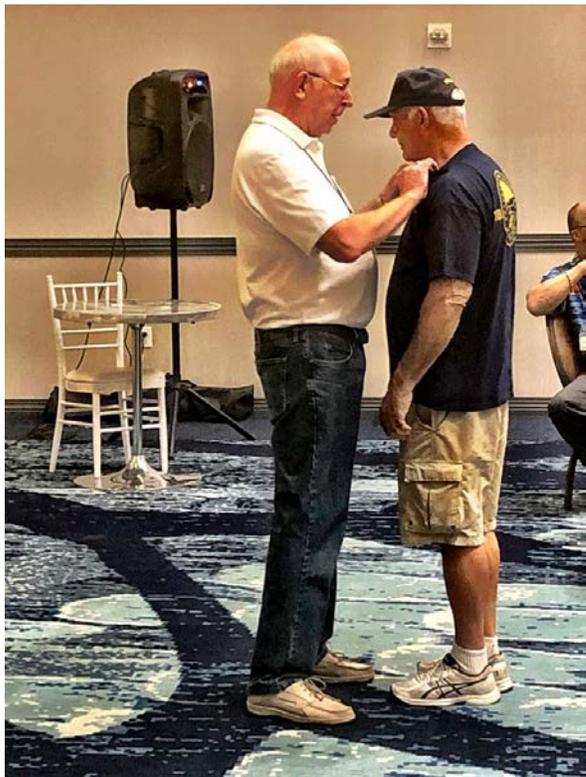

The Lapel Pin and Certificate was presented by Vietnam Veterans and witnessed by Veterans from WWII, Korea, Vietnam, Lebanon and Persian Gulf War.
