USS New Jersey Veterans on the move to the 2021 Reunion in Oklahoma City

The Land Rush of 1889

The Oklahoma Land Rush of 1889 was the first land run into the Unassigned Lands. The area that was opened to settlement included all or parts of six counties in the state of Oklahoma. The land run started at high noon on April 22, 1889 with an estimated 50,000 people lined up for their piece of the available two million acres.

As the cover picture (with the tongue in cheek caption) illustrates, it was a virtual stampede of riders, wagons and other conveyances headed for some of what was considered the best unoccupied land in the United States.

PRESIDENT'S REPORT

Greetings to all,

I hope that this message finds everyone in good health. It's been along year, but it looks like there's a light at the end of the tunnel. The 2021 reunion remains on schedule for September 29th - October 3rd in Oklahoma City. I am planning for a normal reunion. Planning for this reunion has been a challenge. There are so many unknowns about what it will be like at the end of September. The best case scenario is that things will be back to normal, with no masks or social distancing. We are not requiring vaccinations to attend the reunion, but we encourage everyone to get vaccinated to help protect ourselves and others who will be with us in OKC.

Our reunion hotel is the Sheraton Oklahoma City Downtown Hotel. The Sheraton is located in downtown OKC, a few blocks from the popular Bricktown entertainment area. This area is similar to San Antonio's riverwalk area, with many restaurants, lounges, craft breweries, bars, shops, a water taxi and other attractions. I've talked to the OKC Visitors Bureau and OCK businesses are open with 50% capacity. They are very hopeful that by the start of our reunion, these restrictions will have ended. Hotel reservation information is in this issue and reservations can be made now by telephone or online via the link on our website. The telephone information for making reservations has changed slightly since what was in the last issue of the Bounce, so please use the information in this issue and on the website. The complete reunion information package is in this issue.

UPDATE: The cut off date for hotel reservations is 11:59PM (CDT) on September 3rd. There are two other events going on in OKC that have been rescheduled due to COVID19 to the weekend we're there, (the Oklahoma City Marathon and the Oklahoma Rowing Regatta Festival) so there's a real good chance any unused rooms held for our group will not be available after September 3rd.

We will be holding elections at this reunion due to the cancellation of the 2020 reunion. The term of office for those elected will be for three years so that our election year will be back in sync with our ship reunions. Information on the elections and available positions are in this issue. A big thank you to Chuck Oehme, (OE Div, '67-'69) for organizing the elections and dealing with last years cancellation.

As I noted in our last newsletter, we did not receive any applications for the last years three \$1000 scholarship awards. The scholarships are open to all graduating high school seniors who's father, grandfather, or great-grandfather served on the USS New Jersey and are a descendant of a current member of our organization. Please encourage your child or grandchild to apply this year. Information and the application forms are on our website, www.ussnewjersey.org.

In closing, again this year our membership has declined. We currently have approximately 480 members. Unfortunately about 90 have not paid their 2021 dues and of those, about a quarter have also not paid their 2020 dues. It would be helpful if those dues were paid. We really need new members. If you are in contact with any former crew member who isn't a member, please invite them to join.

Please stay safe and healthy.

Bob Dingman, President

VICE PRESIDENT'S REPORT

Greetings:

Once again being a part of the battleship new jersey has great dividends. A reunion at the famous bootcamp then one of many duty stations and now Oklahoma. I must say being a part of the Big J has been wonderful. So here we are about to visit another location I had a brief stop at while in transit with orders to Subic Bay for duty. The flight from Dover stopped at Tinker Air Force Base then on to Guam and finally arriving at Clark Air Force Base. I am very excited about this one because now I have better opportunity of seeing more then the waiting area and a chance to purchase a Stetson. I would add more but for time this is a rush I hope and pray to see everyone in OKC.

Sincerely:

Leon Tucker Jr. GMG1(SW)

SECRETARY/LEBANON PERSIAN GULF ERA DIRECTOR'S REPORT

Hello again shipmates, well this has just been a bad year or maybe just very unusual. It was hard to cancel reunion last year but hopefully by reunion time this year all of this will be out of the way, and we can all enjoy Oklahoma, City. I hope some more of our 80's era guys can make this year. It is sad as each year passes by; we lose more of our shipmates. It is of the utmost importance for 80's & 90's to step up so we can keep the light burning in the LIGHT HOUSE. It is not just the fellowship at the reunions but the other things as well such as the Scholarship program and helping the ship with funds to keep maintenance up and restoration support to families who have lost loved ones that were members. The reunions are always fun and interesting with plenty to do. I am very much looking forward to this year's reunion. Since Sheila and I have started going last year was the only year we missed, that was not by choice, we had 12 in a row. Need a good turnout this year as we will be voting for new officers. The current officers have been doing a very good job and they have kept in touch with each other to make sure this year goes very well. Phone calls, emails, zoom meetings whatever it has taken they have done a very good job. Let us make the most out of this year and have a wonderful time and enjoy a good time and even better fellowship time. Let's have one of our biggest turnouts that we have ever had. I will leave on this note. " Fair Winds and Following Seas"

Hope to see you in Oklahoma City this year.

The Reunion this year is looking to be a great get together. Our Spring membership drive was a successful endeavor and will be a part of future drives with the store.

We will begin ordering inventory for the store to have a full range of merchandise for the reunion.

A complete selection of the store merchandise can be viewed on our website www.ussnewjersey.org. Any special orders (sizes, etc.) for shirts, jackets, etc. should be sent to me as soon as possible for pickup

at the reunion.

The store can be reached at:

Thanks, and we will see everyone in Oklahoma City.

MEMBERSHIP CHAIRMAN'S REPORT

Hello Shipmates,

Louise and I are looking forward to seeing all that can come to Oklahoma City this fall. We can enjoy the company of all our friends and make new friends, laugh and share with each other.

Last year was a year to forget!! We hardly ever left our home except for trips for groceries and home supplies when we could find them. We made it through!! It was a time that we would never have thought would happen to us and our families in this country. I think that we gained strength getting through it with the help of family, friends and neighbors.

Several of my shipmates and I were texting each other daily. We shared with each other weather in our area, pictures of ourselves, memories of happier times, and just about everything. We worried about each other's family and poked fun at each other, but mainly we stayed in touch with each other. It was extremely helpful to me especially. It took my mind off some of this bad stuff happening in our country.

Louise and I have had both of our Covid 19 shots, so we feel reasonably safe about attending the reunion in September. I think everyone is ready for this to happen. Bob and Steve have done a great job as usual, getting this reunion organized amid all the chaos going on.

Our membership is at 488, far below what we had when I was first elected to this position. Bob and Mike are coming up with ideas to attract new members, but there are not many of us Battleship sailors left. If you know of anyone, please urge them to join.

We need to be together and celebrate our time on our USS NEW JERSEY.

Sincerely,

Garry Blaylock - Membership Chairman

TREASURER'S REPORT

We are looking forward to seeing everyone in Oklahoma City this September. It was strange not being able to meet up with shipmates last year, but hopefully we can "reup" this year.

The 2020 annual financials are on the following page and I will summarize the results briefly.

During 2020 we received \$21,697 in funds net of reunion registrations which were of course refunded. Principal sources of funds were *Dues* (\$9,775), *Ship Restoration Donations* (\$6,088), *Scholarship Fund Donations* (\$2,050) and *Ships Store Sales* (\$1,251). During the year we also disbursed \$19,985 in funds net of refunded reunion registration fees. Principal disbursements were *Ship Restoration Donations* forwarded to the Battleship New Jersey Museum (\$6,123), *Jersey Bounce Expenses* (\$5,614), *2021 Reunion Expenses and Deposits* (\$2,987) and *Ships Store Inventory and Expenses* (\$2,617).

Overall funds increased by \$1,712 in 2020 as we ended the year with \$39,999 in bank balances.

Late in the year we opened a PayPal account to facilitate Ships Store Sales and reunion registration fees. We will monitor activity and hopefully our membership will find this service useful.

Please let me know if there are any questions, comments or you would like additional information.

Proposed Changes to the USS New Jersey Veterans Bylaws

The COVID19 pandemic brought to light a few items that our current bylaws do not address. Because of government restrictions we had to cancel our 2020 reunion. There is nothing in our bylaws that addresses the cancelation of our reunion and annual meeting. There is also nothing addressing the cancellation of our election of Officers or allowing video meetings.

To correct this, we are proposing the following changes to our current bylaws. We are only showing the changes, in red text, and not reprinting the entire bylaws. A full copy of the bylaws is available on our website, www.ussnewjersey.org and the full bylaws were published in the 2019 Fall issue of The Jersey Bounce. These changes will be voted on at the 2021 General Meeting.

State of the Museum Report

2020 was a difficult year for the museum. Total visitation was just 22% of what it had been in 2019 and some of our major programs, the overnight encampments, events, and guided tours were all canceled. The museum spent about a third of the year closed either through lack of funding or through state mandated shutdowns. Many staff have been furloughed for close to a year at this point. Despite the hardships the museum found a way to fulfill its mission of educating the public and preserving the ship.

Thanks largely to a \$500,000 grant from the New Jersey Historic Trust the museum has been able to continue redecking the fantail. We are one year into what will likely be a five-year \$5 million project to redeck the entire ship using teak. The fantail was in the worst shape and much of the wood there had already been removed. This is a matching grant which means in order to be reimbursed for it, we need to raise \$1 million through matching donations.

New teak decking installed on the fantail.

On the education front we were able to move some of our programs online and have conducted classes from groups in Mexico, Canada, and across the United States from the battleship. With the ship closed to regular guests during the week and kids stuck at home we started doing student days aboard the ship every month. These combine a socially distanced tour and using the spacious mess decks for classroom activities.

By far our most successful education initiative has been our YouTube channel. We started that back in 2019, but when the museum closed in March 2020, we began releasing daily content which caused our channel to explode. We currently get 800,000 views per month, have over 25,000 subscribers with roughly 1,000 new subscribers a week, and have reached 60 million people around the world.

With people not able to visit the ship for themselves for much of the last year, either because we were closed or because of travel restrictions, we have been able to take the ship to their living rooms. There are currently around 500 videos on our channel including oral history interviews with your shipmates, tours of individual spaces, and tours of other museum ships around the country we were invited to visit. We even got to visit USS Slater and USCGC Taney while they were in drydock.

More people experienced the battleship through our virtual tours in 2020 than have visited in person during any other year the museum has been in operation.

Be sure to check us out at www.youtube.com/BattleshipNewJersey

We plan on reopening in March on weekends and in April full time but that is entirely dependent on the outside world, so be sure to check our website before planning your next visit.

34th Annual Reunion #2 – Oklahoma City, OK

Public Ground Transportation

The Sheraton Downtown Hotel is located in downtown Oklahoma City and within easy reach of many attractions. The Oklahoma City Streetcar system opened on December 14, 2018. This modern streetcar system has two loops, the Downtown Loop and the Bricktown Loop, that offer inexpensive public transportation around downtown Oklahoma City. A 24 hour pass costs just \$3.00 per person. A 24 hour pass for Seniors, age 65+, costs just \$1.50 per person. There is a streetcar stop right next to our hotel where both loops stop. Additional information on the streetcar system is in this issue and will be available in the hospitality room and the hotel lobby.

There is also a bus system in Oklahoma City, called EMBARK, that covers a larger area than the streetcar system. EMBARK buses serve much of the Oklahoma City metro area. Each route's hours of operation vary, but many popular routes run about every 30 minutes during the weekday and every 60 minutes on Saturday and Sunday. Information on EMBARK is available online and will be in the hospitality room and the hotel lobby

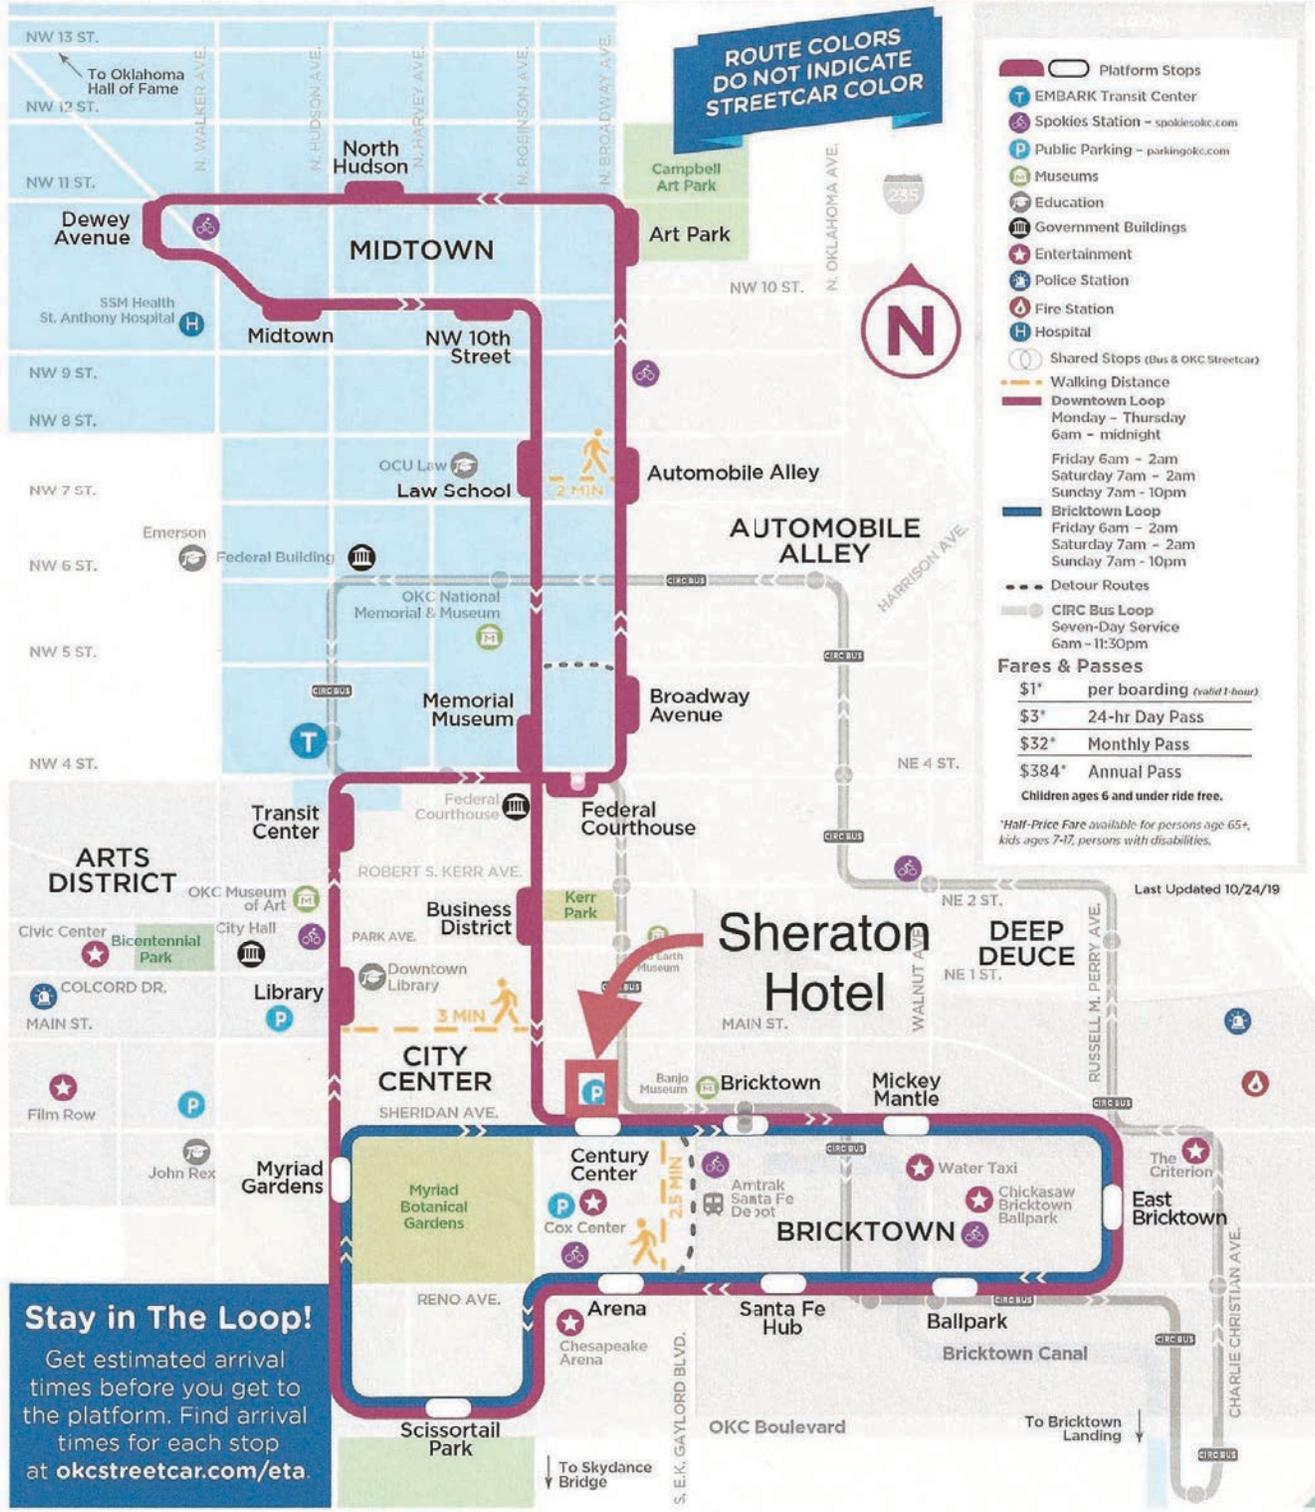

Tickets can be purchased at the streetcar platform vending machines or by using a mobile phone app. A link to the app is on the Oklahoma City streetcar and EMBARK bus websites.

The Oklahoma City Wild West Tour

Planning for our tour has been a challenge this year. As the pandemic winds down, there are still so many unknowns that we've needed to consider during our planning process. We've worked closely with Factor 110 tour company and the Oklahoma City Convention and Visitors Bureau to come up with an enjoyable tour that highlights the State of Oklahoma. The tour is currently limited to 50 people. This may change once we see how many people will actually be attending the reunion.

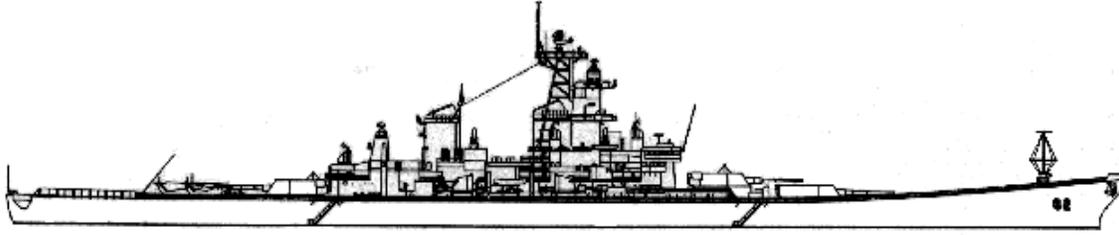

Explore Oklahoma's "Wild West" heritage and culture. Our journey begins at the National Cowboy & Western Heritage Museum, America's premier institution of Western history, art and culture. Founded in 1955, the museum is the premier destination for all things related to the American cowboy. Upon entrance, visitors are greeted by a larger-than-life casting of "The End of the Trail," a sculpture by American-born artist James Earle Fraser that depicts an American Indian on horseback. More than 28,000 artworks and artifacts compose the museum's extensive collection. The historical galleries include the American Cowboy Gallery, a look at the life and traditions of a working cowboy; the American Rodeo Gallery, fashioned after a 1950s rodeo arena; the Weitzenhoffer Gallery of Fine American Firearms houses over 100 examples of firearms, by Colt, Remington, Smith & Wesson, Sharps, Winchester, Marlin, and Parker Brothers. The museum also houses Prosperity Junction, a 14,000-square-foot authentic turn-of-the-century Western prairie town. Visitors can stroll the streets, peek in some of the store windows, listen to antique player pianos, and actually walk into some of the fully furnished buildings. While you're at the museum, you'll be able to get some "lunch on you own" at the Museum Grill.

We then travel to the Stockyard City district. There we'll be able to do some shopping. Langston's Western Wear has been serving the western culture and lifestyle community for over 100 years. It's one of the top independent and locally owned western stores in America. Langston's is across the street from Cattleman's, Oklahoma City's longest running restaurant. If you're not into shopping, you can drop in there for a light snack or just a piece of their famous homemade pie.

Our last stop is a visit to the Centennial Land Run Monument. April 22, 1889 was a day of chaos, excitement, and total confusion in Oklahoma. This was the day of the incredible, and notorious, first Land Run, when 50,000 people rushed into the Unassigned Lands of Oklahoma Territory to stake their claim for free land. The monument is the largest series of sculptures in the world, consisting of 47 statues spread across a distance of 365 feet. All are cast in dark bronze, at one-and-a-half life size. In all, there will be 38 people, 34 horses, 3 wagons, a cannon, a dog, and a frightened jackrabbit.

Friday, October 1, 2021

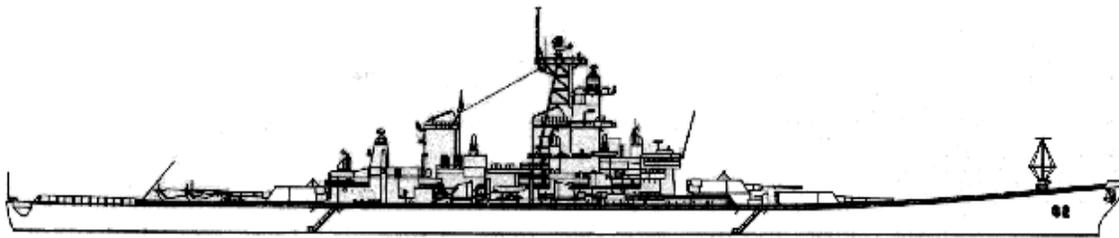

The USS New Jersey Veterans, Inc. memorial service, to honor our Shipmates who have passed since our last reunion in San Diego, 2019, will take place at the Sheraton Downtown Hotel, in the One Broadway Ballroom at 10:00AM.

Following the memorial service, the remainder of Friday will be a free day, allowing our attendees to explore Oklahoma City with their friends, family and Shipmates. We will not be offering an organized tour.

The downtown location of the reunion hotel provides us easy access to many of the attractions that Oklahoma City has to offer. There is information in the reunion package on the new Oklahoma City Streetcar System, which provides you with inexpensive public transportation to many areas of the city. There will be brochures available in our hospitality room detailing what attractions are available in OKC.

The Bricktown entertainment area is within easy walking distance of the hotel or there is a streetcar loop to Bricktown. Bricktown is similar to the river walk area of San Antonio. There is a water taxi which operates through Bricktown.

The National Oklahoma City Memorial and Museum is a moving tribute to the events of April 19, 1995. The outdoor memorial honors the lives lost in the bombing of the Alfred P. Murrah Federal Building. The museum documents the story of what followed in the days, weeks and years after the event. The OKC streetcar blue line will easily take you from the hotel to the Memorial.

## USS Oklahoma City (CL-91/CLG-5/CG-5)

USS *Oklahoma City* (CL-91/CLG-5/CG-5) was one of 27 [United States Navy Cleveland-class light cruisers](#) completed during or shortly after [World War II](#), and one of six to be converted to [guided missile cruisers](#). She was the first US Navy ship to be named for [Oklahoma City, Oklahoma](#). Commissioned in late 1944, she participated in the latter part of the [Pacific War](#) in anti-aircraft screening and shore bombardment roles, for which she earned two [battle stars](#). She then served a brief stint with the occupation force. Like all but one of her sister ships, she was retired in the post-war defense cutbacks, becoming part of the [Pacific Reserve Fleet](#) in 1947.

In the late 1950s she was converted to a [Galveston-class guided missile cruiser](#), which involved removing all her guns except for her forward 6-inch (152 mm) turret and 5-inch (127 mm) mount, and rebuilding her entire superstructure to accommodate the [Talos](#) missile system and [flagship](#) office spaces and accommodation. Like her three [sister ships](#) ([Providence](#), [Little Rock](#), and [Springfield](#)) of the [Cleveland-class](#) ships converted to missile ships, she was also extensively modified forward to become a flagship. This involved removal of most of her forward armament to allow for a greatly enlarged superstructure. She was recommissioned in 1960 as CLG-5 (and in 1975 redesignated CG-5).

In her second career she served extensively in the Pacific, playing a prominent role in the [Vietnam War](#), including participation in the evacuation of Saigon. *Oklahoma City* worked hard in shore bombardment duty during the war. She was decommissioned for the last time in December 1979.

In April 1969, *Oklahoma City* was sent to the [Sea of Japan](#) with [three carrier groups](#) as part of TF 71 which also included the *USS New Jersey (BB-62)* after North Korea [shot down an EC-121 spy plane](#).<sup>[2]</sup>

At the time of her decommissioning, she was the last [Cleveland-class](#) ship in service and had served longer (a total of 21 years and 10 months) than any other ship of that class.
